

Minutes June 10, 1996

Members Present Conrad Ohman, Chris Blair, Richard Nault, Ray Tryon

MILLER The chair opened the meeting with the reading of the Notice of Public Meeting. A portion of his pool and driveway will be in the buffer zone. Silt fence and hay bales are in place against the stone wall. The buffer zone has been flagged. The area around the house is level. Landscaping will hold the slope around the driveway in place. The excavated material will be used for fill on the property. Hupi Road is 4' or 5' higher than the pool area. Richard Nault inspected the project. The project was designated N3.

STEVENS LAKE Richard Nault reported that Stevens Lake Homeowners Association is not going to treat the pond with SONAR this year.

The minutes of the May meeting were approved.

GREENWALD/FRIED They need to replace piers under the dwelling. They will need to file an RDA SULLIVAN. The chair read the Notice of Public Meeting at 7:30 p.m. The project is for the construction of a house. The project was represented by Robert Brown and Paul Sullivan for the owner Mark Corpuel. There will be no work closer than 75'. There will be a retaining wall. The project is marginally in the buffer zone. They will move Woodland drive prior to beginning the project. The abutter has no objection to the road being moved. Howard Burns inspected. The determination is N3 LAKE BUEL WEEVILS. Richard Nault reported that Lake Buel will not be doing weevils. The vote of the District Meeting was to allow them only if they were contained. The weevils are only contained for a short while, therefore the project will not go forward.

NEW MARLBOROUGH ROAD/TOWN OF MONTEREY. Don Amstead presented sketches of work he needs to do on New Marlborough Rd. He was instructed to file an RDA and provide more detail on the sketch and show how the wetlands will be protected along the road.

LAKE BUEL The DEP has issued a superseding order which will allow the District to proceed with the dam project.

The meeting adjourned at 8:30 p.m.
